It was Monday morning, the first day of his holiday. James was lying in his bed but he wasn't sleeping. He was thinking about his holiday, doing plans, looking forward to his trip/ journey to the sea with Jenny. The sun was shining through the window and outside a blackbird was singing loudly in the peach tree. In the next garden children were playing, They also had a holiday. On/in the arm chair near the bed there was a cat sitting and looking at James. It was waiting for something. James got up and went to the bathroom. While he was sitting in the bath, the telephone started ringing. He took a towel and ran downstairs. When he got to the hall, the telephone was still ringing. "Hallo," said James. He hoped to hear Jenny's voice. „Hallo,“ said a man's voice. „James, I know you were looking forward to your holiday but can you come to the office today for some time? Robert is ill.“
